February 20, 2009

Dear Parents of Fifth Graders:

The Glendale Unified School District has implemented a voluntary program for sixth grade students at Wilson Middle School. Due to the increased interest and success of this program, it will be continued for the 2009-2010 school year.

Attached is an application for parents interested in having their child participate. Students will be selected following a lottery process. Each eligible school will have a number of seats designated based on the size of their fifth grade class and the size of the school. The elementary schools eligible are: Glenoaks, *Muir, and Verdugo Woodlands.

Students must be eligible for enrollment in sixth grade in the 2009-2010 school year and must make a commitment to remain at Wilson Middle School for a *minimum* of one school year. Successful elementary school academic achievement and social maturity will ensure your child's success at Wilson Middle School. If your child is struggling in either area, please consult with your principal and child's teacher before considering this program.

If you are interested in your child being enrolled in this program, please complete the application and return it directly to the office of Student Support Services at 223 North Jackson Street, Room 203, Glendale, CA 91206, by **Friday, March 6, 2009, at 5:00 p.m.** This deadline is firm and any applications submitted after the deadline will **NOT** be included in the lottery. The lottery will be held on **March 13**, and parents will be notified by letter the **week of March 20**. There will be no sibling preference for admission. A waiting list will be established if necessary.

The summer school program at Wilson Middle School is strongly encouraged but voluntary and only open to those students selected for the program. If you have any questions regarding the program, please contact Mr. Richard Lucas, Principal at Wilson Middle School, at (818) 244-8145.

This is an exciting project, and we look forward to offering this option for your child.

Sincerely,

H.A. Paz, Director
Student Support Services

**Only available to those Muir students living in Wilson's attendance area.*
