IMPORTANT INFORMATION

ACA

The Affordable Care Act (ACA) requires applicable large employers to make affordable coverage available to their employees or risk paying a penalty. It is important that you understand your options for health insurance coverage. You may consider these options below:

- Enroll in a medical plan offered by Glendale USD or another group plan
- Purchase coverage through a health insurance marketplace
- Enroll in coverage through a government-sponsored program (if eligible)

Because Glendale USD's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you will not generally see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost if you choose to purchase coverage through the marketplace, and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.

Annual Notices

Glendale USD's plans are partially arranged by Glendale USD and governed by its plan rules and documents. Various state and federal laws require that employers provide disclosure and annual notices to their plan participants.

The following is a list of the annual notices:

- Medicare Part D Notice of Creditable Coverage
- Women's Health and Cancer Rights Act (WHCRA)
- Newborns' and Mothers' Health Protection Act
- Special Enrollment Rights
- Medicaid & Children's Health Insurance Program
- HIPAA Notice of Privacy Practices
- Summary of Benefits and Coverage (SBC)

Annual Notices are posted on the District's website at www.gusd.net, under -> Departments -> Benefits -> Annual Notices

Paying For Your Coverage

The District, through the collective bargaining process, has established a maximum District contribution to the health insurance plan for the 2021-2022 school year of \$31,586.70 for all employees. This means that if you are a full time employee and have family (employee + 2 or more) PPO medical coverage with Blue Shield you will be required to pay the premium that exceed the maximum contribution of \$31,586.70. **Regular employees working 50% but less than 80% can enroll their dependents at their own expense.**

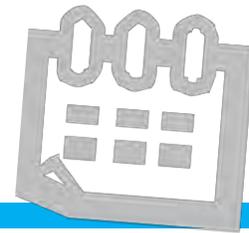

Your Medical, Dental, and Vision contributions, if any, are deducted before taxes are withheld, which saves you tax dollars. Paying for benefits before-tax means that your share of the costs are deducted before taxes are determined, resulting in more take-home pay for you. As a result, the IRS requires that your elections remain in effect for the entire year. You cannot drop or change coverage unless you experience a qualifying event. **If you would like to opt out of the before-tax option, please contact the Benefits Department.**

ENROLLMENT INFORMATION

Who May Enroll

If you are a regular full-time management and confidential employee working 80% or more, you and your eligible dependents may participate in Glendale USD's benefits program. **Regular employees working 50% but less than 80% can enroll their dependents at their own expense.** Your eligible dependents include:

- Legally married spouse
- Registered domestic partner
- Children under the age of 26, regardless of student or marital status

Benefits Plan Year:
October 1–
September 30

When You Can Enroll

As an eligible employee, you may enroll at the following times:

- As a new hire, you may participate in the company's benefits program on the first day of the month following your date of hire. If you are hired on the first working day of the month, your insurance coverage starts the first day of the month of hire.
- Each year, during open enrollment
- Within 30 days of a qualifying event as defined by the IRS (see Changes To Enrollment below)

Changes To Enrollment

Our benefit plans are effective October 1st through September 30th. There is an annual open enrollment period each year, during which you can make new benefit elections for the following October 1st effective date. Once you make your benefit elections, you cannot change them throughout the year unless you experience a qualifying event as defined by the IRS.

Examples include, but are not limited to the following:

- Marriage, divorce, legal separation or annulment
- Birth or adoption of a child
- A qualified medical child support order
- Death of a spouse or child
- A change in your dependent's eligibility status
- Loss of coverage from another health plan
- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a federal or state premium assistance program under Medicare, Medicaid, or CHIP

Coverage for a new dependent is not automatic. If you experience a qualifying event, you have 30 days to update your coverage. If you do not update your coverage within 30 days of the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

DELETING SPOUSES

If you are divorced, your ex-spouse must be removed from your coverage **within 30 days** of legal proceedings (only legal spouse can be covered). Failure to remove your ex-spouse from your coverage can result in you being financially responsible for premiums by the District and claims paid by the insurance company(ies). If you are ordered by the court to provide health coverage for your ex-spouse, coverage must be purchased outside of the District as they no longer qualify as your dependent. When deleting an ex-spouse, please complete a change form and contact **Gevork Msryan at (818) 241-3111 ext. 1368** or GMSryan@gusd.net for additional information.

ADDING NEW DEPENDENTS

Blue Shield's policy on adding new dependents during the plan year is as follows:

- **NEW SPOUSES** must be enrolled **within 30 days** of marriage. The employee must submit an insurance change form and a copy of the marriage certificate provided at the ceremony.
- **NEWBORNS** are covered automatically under the employee's coverage through the **30th day** following the birth. However, before the 31st day following the birth, the employee must submit an insurance change form and a copy of the newborn's birth certificate provided by the hospital.

IF ENROLLING A DOMESTIC PARTNER: Please note that unless your domestic partner qualifies as your tax dependent for health care purposes under the Internal Revenue Code, Federal Tax Law requires that the premium cost for your domestic partner and his/her children will be deducted from your paycheck on an after-tax basis. The value of GUSD's portion of the premium will result in "Imputed Income" to you. This amount will be included as an additional wage paid to you on your pay stub for the cost of the domestic partner's premium on which you will pay Federal Taxes.

Medical Insurance

Option 1

Blue Shield | HMO

With the Blue Shield Health Maintenance Organization (HMO) plan, you must choose a primary care physician (PCP) or medical group within the plan's network. All of your care must be directed through your PCP or medical group. Any specialty care you need will be coordinated through your PCP and will generally require a referral or authorization. You will receive benefits only if you use the doctors, clinics, and hospitals that belong to the medical group in which you are enrolled, except in the case of an emergency.

Option 2

Blue Shield | PPO

The Blue Shield Preferred Provider Organization (PPO) plan allows you to direct your own care. If you receive care from a physician who is a member of the plan's network, a greater percentage of the entire cost will be paid by the insurance plan. However, you are not limited to the physicians within the network and you may self-refer to specialists. If you obtain services using a non-network provider, please note that you will be responsible for the difference between the covered amount and the actual charges, and you may be responsible for filing claims.

Medical Insurance

Tips for Using Your Medical Benefits

- 1 **Ask questions when in doubt.**
If you are having a procedure or planning an upcoming procedure, make sure you know how the procedure will be covered and what your out-of-pocket cost will be, if any.
- 2 **Use urgent care centers versus hospital emergency rooms whenever possible.**
Frequently, patients seek the services of the hospital emergency department for ailments or injuries that could be treated more economically, and just as effectively, at an urgent care center. It is not always easy to determine when you should choose urgent care over the hospital emergency department. The following lists offer some guidance, but are not necessarily all-inclusive.

Examples of URGENT CARE situations	Examples of EMERGENCY situations
<p>Any illness or injury that would prompt you to see your primary care physician including but not limited to:</p> <ul style="list-style-type: none"> • Accidents and falls • Sprains • Back problems • Breathing difficulties • Abdominal pain • Minor bleeding/cuts • High fever • Vomiting, diarrhea or dehydration • Severe sore throat or cough • Mild to moderate asthma 	<p>Any accident or illness that may lead to loss of life or limb, serious medical complication or permanent disability including but not limited to:</p> <ul style="list-style-type: none"> • Chest pain* • Seizure or Shock • No pulse • Sudden dizziness, loss of coordination or balance • Severe abdominal pain • Severe or uncontrollable bleeding • Broken bones or compound fractures • Spinal cord or back injury • Severe burns • Major head injuries • Ingestion of poisons or obstructive objects • Animal, snake or human bites

*If you believe you may be experiencing a heart attack, call 911 immediately! Do not drive yourself to the emergency room!

- 3 **Use generic and over the counter drugs when available.**
The best way to save on prescriptions is to use generic or over the counter medications as opposed to brand name drugs. Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.
- 4 **Use the mail-order prescription drug benefit for maintenance medications.**
The mail order pharmacy is a fast, easy and convenient way to save time and money on your maintenance medications. You can order additional supplies of medication at a discount. See carrier provisions for details.
- 5 **Utilize your free preventive care benefits to stay healthy.**
In order to receive the full value of your plan, schedule your preventive care exams! Our medical plans cover these exams 100% when you use in-network providers. Preventive exams can help identify any potential health problems early on. Not all preventive care is recommended for everyone, so talk with your doctor to decide which services are right for you and your family.

Dental Insurance

Cigna | DHMO

With the Dental Health Maintenance Organization (DHMO) plan through Cigna, you are required to select a general dentist who is a member of the plan's network to provide your dental care. You will contact your general dentist for all of your dental needs, such as routine check-ups and emergency situations. If specialty care is needed, your general dentist will provide the necessary referral. For covered procedures, you'll pay the pre-set copay or coinsurance fee described in your DHMO plan booklet. Please keep a copy of your booklet to refer to when utilizing your dental care. This will show the applicable copays that apply to all of the dental services that are covered under this plan.

Delta Dental | PPO

With the Delta Dental Preferred Provider Organization (PPO) dental plan, you may visit a PPO dentist and benefit from the negotiated rate or visit a non-network dentist. When you utilize a Delta Dental dentist, your out-of-pocket expenses will be less. You may also obtain services using a non-network dentist; however, you will be responsible for the difference between the covered amount and the actual charges and you may be responsible for filing claims.

*Dentists who are out-of-network have not agreed to pricing, and may bill you for the difference between what Delta Dental pays them and what the dentist usually charges.

Finding a Dental Provider

- Cigna DHMO: Go to www.cigna.com or call (800) 367-1037
- Delta Dental PPO: Go to www.deltadentalins.com or call (866) 499-3001

Dental Billing Tip!

We recommend you ask your dentist for a predetermination if total charges are expected to exceed \$300. Predetermination enables you and your dentist to know in advance what the payment will be for any service that may be in question.

Vision Insurance

VSP | PPO

The VSP vision plan provides professional vision care and high-quality lenses and frames through a broad network of optical specialists. You will receive richer benefits if you utilize a network provider. If you use a non-network provider, you will be responsible for paying all charges at the time of your appointment and will be required to file an itemized claim with VSP.

Finding a Vision Provider

Go to www.vsp.com or call (800) 877-7195. Refer to the VSP Signature network when prompted.

Tips for Using Your Vision Benefits

- 1 Understand your benefits.**
 Our Vision insurance plan covers preventive care services such as eye exams and vision tests, eyeglass lenses, eyeglass frames and contact lenses. It also provides discounts on elective procedures like LASIK and other vision correction surgery. For some services, you'll be provided an allowance. For instance, a wide selection of frames are covered in-network with a \$120 allowance, and if the frames you want cost more than that, you'll have to pay the additional cost yourself.
- 2 Get your eyes checked each year.**
 Because eye exams can detect hidden medical problems, even those with perfect vision shouldn't skip them. As you age, you'll need more frequent vision exams.
- 3 Make sure your optometrist accepts your insurance and is in-network.**
 It's important to understand the difference between vision care providers who are "in-network" and those who only "accept" your coverage but are not in-network. Out-of-network providers may be willing to submit claims to your vision insurer on your behalf but you may end up with higher out-of-pocket costs.

Flexible Spending Accounts

FSA Plan Year: October 1 – September 30

Flexible Spending Accounts (FSAs) are special tax-advantaged accounts used to pay for eligible out-of-pocket health care and dependent care expenses. If elected, your account(s) will be funded with tax-free dollars using convenient payroll deductions. Only expenses for services incurred during the plan year are eligible for reimbursement from your accounts. If you are using your debit card, you must save your receipts, just in case American Fidelity needs a copy for verification. Also, all receipts should be itemized to reflect what product or service was purchased. Credit card receipts are not sufficient per IRS guidelines.

American Fidelity | Health Care FSA

This plan is used to pay for expenses not covered under your health plans, such as deductibles, coinsurance, copays and expenses that exceed plan limits. You may defer up to \$2,400 pre-tax per year.

Eligible health care expenses include:

Coinsurance,
Copays and
Deductibles

Medical and
Prescriptions

Dental
and
Orthodontia

Eye Exams,
Eyeglasses and
Lasik Eye
Surgery

American Fidelity | Dependent Care FSA

This plan is used to pay for eligible expenses you incur for child care, or for the care of a disabled dependent, while you work. Employees may defer up to \$5,000 pre-tax per tax household per year.

Eligible dependent care expenses include:

Licensed nursery schools,
qualified childcare centers, after
school programs, summer camps
(under age 13), preschool

Adult daycare facilities

Important FSA Rules

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

Your FSA elections will expire each year on September 30th. If you plan to participate in the FSA for the upcoming plan year, you are required to re-enroll. The plan year runs from October 1st to September 30th each year.

Health Care FSA

The Health Care FSA includes a 2.5 month grace period. After the grace period, unused funds will be forfeited under the use it or lose it.

Dependent Care FSA

Unused funds will NOT be returned to you or carried over to the following year. You must file claims by December 31st to be eligible for reimbursement.

Any unused funds will be forfeited under the use it or lose it.

Life/AD&D Insurance

It's never fun to discuss life insurance. But you probably know that life insurance is something that you need to protect your loved ones in the event of your death. Things like funeral expenses, debt, and the cost of living, can all add up. Fortunately, life insurance can help lessen the financial burden and provide coverage to help pay for these types of expenses.

MetLife | Basic Life/AD&D

Life insurance protects your family or other beneficiaries in the event of your death while you are still actively employed with the District.

Accidental Death and Dismemberment (AD&D) coverage provides an additional benefit to your beneficiary if your death is due to a covered accident or injury.

Glendale USD pays for Life/AD&D coverage, offered through MetLife for you.

Basic Life/AD&D

District Paid Coverage for Management & Confidential Employees Basic Life and AD&D Employee Coverage

- **Employee Benefit:** An amount equal to 1 times your basic annual earnings, as determined by your employer, rounded to the next higher \$1,000.

Choosing a Beneficiary

A beneficiary is a person or entity who you designate to receive your death benefits. Choosing a beneficiary and keeping your beneficiary up-to-date is an essential part of owning life insurance. Please remember to review your beneficiary designation as new situations arise, such as the birth or adoption of a child, marriage, or divorce. You may call the Benefits Department for a copy of the Beneficiary Designation Form as needed.

MetLife | Voluntary Life/AD&D

In addition to the District provided Basic Life/AD&D benefits, you may elect to purchase additional Term Life/AD&D insurance at discounted group rates provided by MetLife. You pay for this coverage with after-tax dollars through convenient payroll deductions.

Voluntary Life/AD&D

Employee

You may purchase coverage for yourself in increments of \$10,000 up to a maximum benefit of \$300,000. Minimum amount of employee coverage is \$20,000.

Spouse or Domestic Partner

If you buy coverage for yourself, you may also purchase coverage for your eligible spouse or domestic partner. Benefits for your spouse or domestic partner are available in increments of \$5,000 up to a maximum benefit of \$50,000 or 50% of your employee election, whichever is less.

Child(ren)

If you buy coverage for yourself, you may also purchase coverage for your eligible dependent child(ren). Benefits for your child(ren) 15 days old but less than 6 months of age is \$100. Benefits for your children 6 months of age and over is \$1,500.

Guarantee Issue

Guarantee issue is a pre-approved amount of coverage that does not require you to provide proof of good health, and is available to you during your initial eligibility period (upon hire). Guarantee issue is available in the following amounts:

- **Employee:** \$20,000
- **Spouse or Domestic Partner:** \$10,000
- **Child(ren) 15 days old but less than 6 months:** \$100
- **Child(ren) 6 months and older:** \$1,500

If you are no longer in your initial eligibility period, you may enroll in Voluntary Life/AD&D insurance only during the District's Open Enrollment period or upon hire. To provide proof of good health, you will be asked to complete a health questionnaire (Evidence of Insurability) and are subject to insurance carrier approval. MetLife may approve or decline coverage based on a review of your health history.

FULL-TIME EMPLOYEE PREMIUM RATES & PART-TIME CONTRIBUTIONS

The District, through the collective bargaining process, has established a maximum District contribution to the health insurance plan for the 2021-2022 school year of \$31,586.70 for all employees. This means that if you are a full time employee and have family (employee + 2 or more) PPO medical coverage with Blue Shield you will be required to pay the premium that exceed the maximum contribution of \$31,586.70. Tenthly dependent rate for full-time employees with family PPO coverage is \$23.28.

This chart reflects the tenthly premium rates for our Employee Benefit plans. Your cost for coverage will vary depending on the option and level of coverage you choose. Employee contributions for Medical, Dental, and Vision (if any) are deducted from your paycheck with pre-tax dollars. This means that contributions are taken from your earnings before taxes, resulting in lower taxes and increased take home pay. **If you would like to opt out of the before-tax option, please contact the Benefits Department.**
