

Hello Lincoln Families,

We hope you all had a wonderful Summer Break given the circumstances. We are in a historic time in education but want you to remember that it will eventually pass and things will return to normal. In the meantime, we will start the year with the distance learning model. In order to support your child, I would like to offer my assistance to ensure the first day of school is a success. All students will need to join their teacher's Google Classroom page by Tuesday, August 18th to receive the zoom meeting login information. Also, please note that Google Classroom will be used to post announcements and assignments for your child to view and complete. Please be sure to follow the directions below so they can join us on Wednesday, August 19th for the first day of school.

In order to join your teacher's Google Classroom, please sign into Clever (clever.gusd.net) with your assigned district student Google account and password. From there you can click on the Google Classroom icon to join your teacher's page.

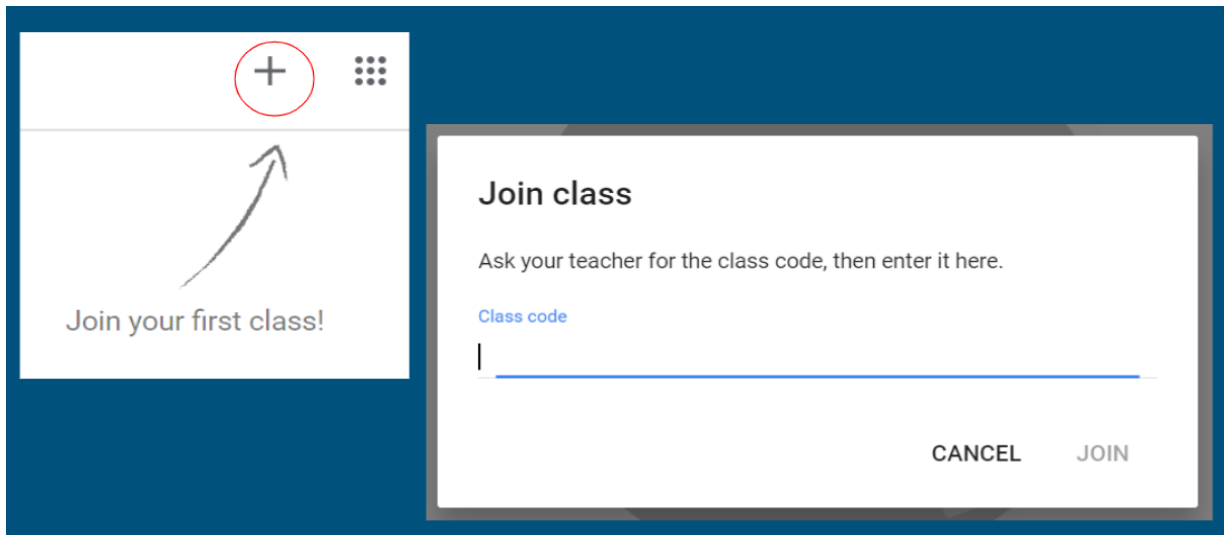

You may also sign into Google Classroom by clicking on classroom.google.com and entering your district student Google account.

Once you are in Google Classroom, click on the plus sign in the top right corner and then enter your teacher's Google Classroom code in the box:

Code:

*This code will be shared by your teacher via their welcome back message on the afternoon of Monday, August 17th. The Google Classroom code is a usually a 5-7 digit code with letters and numbers with no spaces or symbols.

Click Join and you will be taken into the Google Classroom for your teacher's page. Once you are there, please be sure to check out the stream page for more information and a welcome message to the class. Please be sure to check this Google classroom page every day to receive updates, announcements, and new assignments.

If you have any questions or issues with joining your child's Google Classroom page, please feel free to contact me, Mrs. Griffin at agriffin@gusd.net.

I look forward to this new year with you and your child!

Have fun Lincoln Lions!!

Angie Griffin
