About the Tutors

Each year, Tutor.com receives more than 100,000 applications from prospective tutors. Every applicant is rigorously tested and vetted. Applicants must demonstrate their subject-matter expertise, effective

tutoring methodology, mastery of our online environment, and understanding of Tutor.com's pedagogy and policies. Those able to satisfactorily pass the arduous application process must also pass a thorough third-party background check. On average, only 1.5% of all applicants are qualified as Tutor.com tutors. Through our supportive mentoring program and multi-system quality control process, Tutor.com ensures our tutors provide highly effective, positively engaging instruction and support.
