

Volunteers opportunities 2020-2021

We may have a virtual school year this year, and that means a new school year of virtual events! To make these events happen and for them to be a success, we need your help. The LCES PTA is a strong believer in children coming first, and as busy parents ourselves, we understand how precious your time is. With events being virtual, there is a lot of freedom to help when you can, and if your child needs your attention, you can put it aside for a bit. Many of the opportunities to help out don't take much time and are very easy.

For more detailed descriptions of volunteer opportunities, and to sign up online, please go to:
<https://mailchi.mp/c6861f5a4321/volunteering>

Please check off the box next to the way your are interested in getting involved. If not completing this form online, please return this form in the envelope we provided in your PTA package.

Family Engagement

This will be where we need the most volunteers. There is a wide variety of opportunities available, including idea brainstorming, coordinating video content, as well as creating and editing video.

Not only that, but we need students, families and parents who would like to be featured in a video, of their choosing. This is a great way to share your hidden talents, skills, knowledge or job! The videos will be short, and will need to be made during the entire year, so if you have a day, week, or even a month you will have time to spare, please let us know.

Board Member or Chairperson

There are still positions available for anyone who is looking to get more involved with the PTA. The positions available are easier jobs, that don't require much work, but would still help us to have filled. Chairpersons work with the PTA board members and other volunteers to organize and host virtual events.

Book Fair

Foundation is hoping to be able to host a book fair in November, and will be looking for help to make it happen.

Spirit Wear

We need people to help consolidate, sort and deliver the orders (or to help arrange picking up of orders).

Harvest Festival

To make this event happen, we need some creative minds to think of unique ways to celebrate this family favorite event online. We also need people to help bring those creative ideas to life.

Holiday Boutique

We need people to help this event happen, particularly people with e-commerce experience.

Membership Drive

We need parents to help create catchy FB posts, help combine membership lists, among a few other tasks.

Teacher Appreciation Week

We need parents who are willing to help come up with creative ways to virtually celebrate our teachers, and to arrange for a delivered lunch.

Auditor

We have one open position for auditor this year. The process happens twice a year, and takes 15-20 min each time. It does **not** require any bookkeeping or accounting experience, and is simply matching up numbers.
