

# Annual Pancake Breakfast

Dear Parents of Verdugo Woodlands,

The Dads' Club annual Pancake Breakfast is one of our major fundraisers of the year.

With the proceeds we have been raised from your continued support of Dads' Club events we are thrilled to announce that we have repaired and sealed our leaking roof. Great news for all of us!

This year's Pancake Breakfast will help us pay for insurance, utilities, maintenance and more much needed repairs to the ageing building. The event this year is Saturday, January 27<sup>th</sup> 7.00am – Noon and we are counting on you for a great turnout.

**GET YOUR TICKETS NOW AT <https://www.vwdadsclub.com/> or at the door on the day.**

The building serves as the primary auditorium for Verdugo Woodlands Elementary School activities such as; orchestra practice, special educational programs, cultural art activities, Taiko drumming, set building and rehearsal for the Father's Follies and numerous other events. It also serves as a meeting and gathering place for countless community activities including the Scouts, AYSO and Little League meetings. We are a non-profit and need your support.

Thank you all.

The Dads' Club.
