

Pink Panther Core Wish List

Dear Pink Panther Parents,

We wish to promote the success of all our students by making sure that they are not only challenged and supported academically, but they are also provided with an enriched environment in which to learn successfully. Unfortunately, with so many cutbacks to school budgets, we often find ourselves lacking in materials and supplies, so we end up purchasing them ourselves. If you can help us by donating supplies that are on the Wish List below, we would greatly appreciate it. Please send supplies at your convenience to Mrs. Pakradouni.

Thank you so much for your support!
