# BFEF ANNUAL FUNDS DRIVE

Following the unprecedented last year, we hope to maintain BFEF's level of support, especially for target language teaching, for the 2020-21 school year.

If every family at Franklin donates \$270 (a \$30 monthly recurring donation for the duration of the school year), we can hit our fundraising goal for the entire year.

## Help us meet our biggest funding priorities!

Target language teaching assistance and support: \$82,000

Teacher supplies, technology & enrichment support: \$28,000

Music & visual arts teachers & supplies: \$31,000

Learning garden & environmental science programs: \$15,000

...along with our STEAM Fair, Film Festival, and more! The BFEF works closely with Principal Kully and our teachers to determine the best way to support critical needs as we return to campus. BFEF is entirely run by volunteers, which means funds go right back to our students.

**Our total annual fundraising goal is \$160,000.**

Make your monthly or one-time donation at [franklin.fyi/donate](https://franklin.fyi/donate)

Franklin has over 600 students that benefit from these programs, which means that to fully fund our programs, each family would need to contribute \$270 per student. **This works out to \$30 per month during the school year, or just under \$8/week!** Grandparents, neighbors and friends are welcome to donate in your child's name to help us reach our goal of 100 percent participation.

No gift is too small, because a high family participation rate helps BFEF raise matching funds from corporations and foundations. **Thank you! Danke! ¡Gracias! Grazie! Merci!**
