

Wilson Knights PBIS Fact Sheet

What is PBIS?

Positive Behavior Interventions and Supports (PBIS) is a proactive system-wide framework for creating and maintaining safe and effective learning environments in schools to ensure that all students have the social skills needed to promote their success at school and beyond.

What are the PBIS outcomes?

- *increased academic achievement and performance
- *decreased classroom disruptions and office discipline referrals
- *improved school climate and safety

What is the purpose of PBIS?

To establish a climate in which appropriate behavior is the norm.

Our statement of Positive Behavioral Purpose:

Wilson Knights are committed to building a positive school culture by treating each other with kindness, acting responsibly, and reflecting on how we can continually improve.

Our Positive School-wide Expectations:

Wilson Knights are responsible, kind, and reflective.
