

# Construction Area

## Building Blocks

### Objectives:

- Work independently and in a group
- Use large and small muscle skills (grasping, lifting, placing)
- Represent reality through symbols
- Develop problem-solving skills and sense of spatial relationships

### Common Core Connections

- Describe objects in the environment using names of shapes, and describe the relative positions of these objects using terms such as above, below, beside, in front of, behind, and next to.
- Model shapes in the world by building shapes from components
- Collaboration, communication, creativity and critical-thinking
