

# Creative Corner

## (Painting/Drawing & Crafts)

### Objectives:

- Use a variety of art materials to create original work and express ideas and thoughts
- Build sensory development through hands-on exploration of art media
- Identify characteristics of art such as texture, shape, form and color.

### Common Core Connections

- Describe and compare measurable attributes
- Model shapes in the world by building shapes from components (e.g. sticks and clay balls) and drawing shapes.
- Follow agreed-upon rules for discussions
- Continue a conversation through multiple exchanges
- Speak audibly and express thoughts, feelings, and ideas clearly.
- Collaboration, communication, creativity and critical-thinking
