## Wilson Middle School - Drop Off and Pick Up Procedures 2019-20

**Safety first:** It is our responsibility to ensure that our children arrive and leave school in the safest way possible. Please review the procedures carefully and follow them, so that we can continue to provide a safe environment for all of our children.

### **Reminders:**

- **Entry/Exit** - Students can enter/exit school through three locations:
  - main entrance, auditorium gate, north-east gate off of Verdugo Road
  - Students will walk into the school from the open entrances and proceed to the tripod or lunch benches
- **During drop-off/pick up** - Please use the drop-off and pick-up lane designated by the cones on Monterey Road.
  - You may also use the gate on the Verdugo Road side near the north-east end of campus.
  - Drop your child off and pick-up a block away from school to relieve the congestion in front of school before school hours. Be cautious of pedestrians and courteous to our neighbors.
- **Reminders for Students** - Students must enter school as soon as they arrive and not “hang out” or wait in front of the school.
  - **Student** - Do not wait or “hang out” in the staff parking lots.
  - **Students** - Be respectful of our neighbors by speaking in low voices and staying off of their lawns and property.
  - **Students** - Do not go to the gas station in the mornings after being dropped off at school or afterschool if you plan on returning to Wilson.
- **Reminders for Parents/Guardians** - We need your help to ensure that our children are safe!
  - **Auditorium** - Do not stop in front of the auditorium. Proceed to the designated lane.
  - **Staff Parking Lot** - Do not use the staff parking lot to drop-off, park or wait for your children.
  - **Safety First** - Please drive slowly and be safe. Do not speed.
  - **Neighbors’ Driveways** - Do not drop-off or pick-up in or in front of our neighbors’ driveways.

**Go Knights!**
