Monthly fees account for the 180 days that school is open and families are not charged additionally for banking or minimum days. Fees are not adjusted for student absences.

Pupil Free Days & Camp Days have their own fees/schedules and are available at the daily rate of \$50.

*\*Monthly Fees are calculated based on State's Reimbursement Daily Rate of \$47.98, adjusted for hours attended, multiplied by 180 days of operation and divided by 10 months of billing.*
