Petition Process for Extra-Curricular Activities

The State of California has mandated that students must pass four or more classes and maintain a 2.0 GPA (C average) in order to participate in extracurricular activities. Eligibility will be based on the quarter and semester grading periods. Summer and R.O.P classes can be included in maintaining eligibility.

Students who fail to pass four classes will be declared ineligible when grades are officially posted. Students who pass four or more classes but whose GPA is lower than 2.0 may complete this appeal petition form in order to continue in sports of extracurricular activities. Students who receive approval will be placed on “academic probation” and will be allowed to participate. Students on “academic probation” will be re-evaluated at the next grading period.
