

## enVision Login Guide

*This guide aims to provide login information and to answer questions that might arise when logging onto enVision Math.*

### **Please watch these videos first!**

**\* Bookmark the new link according to the steps shown in [this video](#).**

**Access the Pearson link from [the Google "waffle"](#).**

Please follow these new procedures below:

Once you are logged into your **Google Account**, please use the link below and follow the numbered steps to log onto enVision.

1. **Copy and bookmark the new GUSD link [bit.ly/GUSDenvision](https://bit.ly/GUSDenvision).**\*
2. **Log in to your district Google account, and then click on the new link** and you will be logged on to Pearson. This will work for students as well.
3. **If you are not signed into Google** and click the link, use your GUSD email address and password (i.e.: [jfirstman@gusd.net](mailto:jfirstman@gusd.net) / [aabe4563@stu.gusd.net](mailto:aabe4563@stu.gusd.net)) to log into Pearson.
4. **The old link and logins will no longer work to their full capacity.**
