The Lincoln Organizer is a complete system designed to equip students with planning skills that will serve them in elementary school, middle school, and beyond. This system is intended to involve students, teachers and parents in a cooperative process that organizes and plans all aspects of the student experience: homework, tests, short- and long-term assignments, school-wide activities, and classroom work.

Lincoln teachers strongly recommend that all 3rd, 4th, 5th, and 6th graders have a complete organizer. To ensure that your child will get the opportunity to purchase a binder **ORDER NOW.**
