Jefferson Elementary Vision and Mission Statement

Thomas Jefferson Elementary School, through partnership with our students, families, and community, strives to prepare our students to become life-long learners and upstanding citizens. We provide a safe learning environment and prepare students to become college and career-ready. We enable students to perform at their highest level by engaging in creativity and critical thinking through effective collaboration and communication, which will best prepare them for the challenges of the future. Thomas Jefferson Elementary School is dedicated to a tradition of excellence in an ever-changing world. We provide a high quality educational experience for our students to best prepare them for the 21st century. We promote pride and respect in our school and our community.
