

Volunteer Confidentiality and Expectations Affidavit 2021-2022

We appreciate all the benefits volunteers bring to our school and to our children. We encourage having volunteers in the classrooms helping teachers and students. We must maintain high quality instructional time and uphold privacy laws, which protect our children. This volunteer agreement is to provide a clear understanding of the confidentiality, responsibilities and expectations of a volunteer working in an elementary school setting. Signing this affidavit assures that each volunteer understands and accepts this responsibility.

I acknowledge that I may have access or exposure to confidential student information and will be working with or near minors under the supervision of qualified school personnel. It is my responsibility to protect the safety of students and the environment at Lincoln Elementary School by doing the following:

1. I will have an updated negative TB Test on record and proof of COVID-19 vaccination at school or take weekly COVID tests.
2. I will check into the office during school hours when volunteering on campus.
3. I will only work with students under the direction and in the proximity of a supervising teacher or staff member.
4. I will not bring non-Lincoln students on campus.
5. I will report concerns regarding discipline or safety immediately to a supervising teacher or staff member. I understand that I am not to intervene unless a child is in imminent danger or I have been directed to act.
6. I will keep ALL student information confidential and not disclose learned information to any person.
7. I will use school equipment only after receiving training on its use and maintenance.
8. I will ensure that my activities do not disrupt or disturb student learning or interfere with teacher duties.
9. I will silence and refrain from using a cell phone or taking photos when supervising students.
10. I will maintain a professional demeanor and dress appropriately when at school.
11. I will leave the classroom and meet my child at the Altura gate regarding pick up.
12. I will stay in my volunteer area and not wander around campus.
