

Dear Parents and Students,

Hope you are all doing well. I miss you all so much!

Attached you will find packets organized by week. Please complete a little each day. It is not meant to do all at once. I gave some extra math pages if you need to do some samples for your child to explain what to do. Please just do the best you can. If it is too much for your child, please just do less. Classdojo is the best way to contact me. This is how I will contact you as well. I will also post fun learning activities. If you are unable to connect, you can always email me at [aarutyunyan@gusd.net](mailto:aarutyunyan@gusd.net).

Stay safe and healthy! You are all in my thoughts. Please tell your children I say hello!

Love,

Ms. Arutyunyan 😊
