

GHS Open House 2022 (April 7)

Department Links

- Look at your student's classes on Parent Portal and use the Red and Black Checkered Schedule above to design an evening that will allow you to visit what interests you the most. To help you can write in the box below which Departments you will visit at each time. Most Departments are only presenting twice so study the schedule in advance to help you decide what you'd like to see. At the beginning of each 15 minute time slot you can click on the Zoom Link under each Department below. (8th Grade Parents, please feel free to explore and see all of the great things that GHS is doing) **We look forward to seeing you in person next year!**

6:15	
6:30	
6:45	
7:00	
7:15	
7:30	
7:45	

Open House is a chance to see what the various Departments and Programs are doing at GHS! Unlike Back To School Night, Open House is not about Specific Teachers or Classes and individual student progress will not be discussed. **If you want to speak to a teacher about how your student is doing in a particular class, please email or call them directly. All teacher email addresses are listed on the school's website.**

English Language Development (ELD) 6:15PM
