Krisa Muller is the Gifted and Talented Education (GATE) program specialist for Placentia-Yorba Linda Unified School District in Orange County. In this position, she supports parents, teachers, administrators, and students. Krisa also serves on the Orange County Council for the GATE Program. Prior to taking on this leadership position, Krisa was a teacher of GATE students in a cluster and magnet school model. She also provides professional development in the areas of gifted education and instructional strategies for her school districts, regional conferences, and the California Association for the Gifted.

Credentials include:

Certificate from UC, Irvine in Gifted and Talented Education  
MA in Gifted Education from the University of Connecticut.

The presentation will focus on the six types of giftedness and how to better understand the feelings, behaviors, and needs of each of these styles.

There will be time to ask questions of Krisa Muller at the end of the program.
