Glendale, CA 91205**

**Tuesday, October 23, 2018  
6:30 – 8:00 PM**

Dr. Julia Nyberg received her Doctorate in Education from the University of Southern California (USC), with an emphasis in Teacher Education. Dr. Nyberg's research and practice focus on differentiated curriculum and instruction for gifted and talented students. Dr. Nyberg has professional experience in the United States and China and has taught, delivered demonstration lessons, and provided professional development for grades K-12 at various school districts in the United States.

- Board Member for the California Association for the Gifted (CAG)
- Faculty member in the School of Education at Purdue University

**The parent presentation will focus on recent research, key concerns for GATE parents and useful strategies for home and at school.**

**There will be time to ask questions of Dr. Nyberg at the end of the program.**
