

## Help us reach for the stars with a donation to the LCES PTA!

Since 1912, the LCES PTA has strived to reach for the stars, and this year is no different! We have a modest fundraising goal of \$3000, and the more money we raise, the more events and activities we can offer, at a minimal cost to families.

After 4 years of absolutely no PTA fundraising, I don't know about you, but we really liked it. We are hoping to get enough donations that we will not need to host any fundraisers for the remainder of this year, all while still being able to offer the same amazing family events we always have, making this year out of this world for everyone! To entice you to take part, we are offering some fantastic rewards! If you are able to make a donation, please consider this option. Any amount is appreciated, and there is no obligation to do so.

### Donation Tiers
