

# RESTORATIVE BEST PRACTICES

SEMINAR SERIES FOR GLENDALE USD PARENTS AND FAMILIES

**R**estorative practices offers a point of view and specific tools that can enhance a family's capacity to make decisions together while **increasing trust** and **cooperation, promote desired behaviors** while addressing undesirable behavior, build connections and minimize defensiveness, and increase collaboration and workability.

*Karen Junker: Consultant and Trainer • Restorative Best Practices • International Institute for Restorative Practices*

## In This 3 Part Seminar Series We Will Inquire Into:

Building a Foundation for Restorative Practices at Home

•  
Effective Affective Listening and Speaking

•  
Restorative Problem Solving

**September 22, 23 and 29 • 7pm-8:30pm**

This seminar is free of charge and generously sponsored by GEF.

Recommended for Elementary and Middle School Parents
