# BFEF ANNUAL FUNDS DRIVE

We heard you: too many events, too little time, so we're trying something different this year.

**If every family at Franklin donates \$285 (\$32/month for the duration of the school year), we can hit our fundraising goal for the entire year and be done this fall.** If we're successful, we will not have a dance-a-thon or gala. Instead, we will make our World Fest one big springtime celebration!

## Where does your money go?

-  International target language teaching interns: \$76,000
-  Teacher supplies & enrichment support: \$35,000
-  Music & visual arts teachers & supplies: \$31,000
-  Learning garden & environmental science programs: \$26,000

...along with our STEAM and Maker Fair, Franklin Film Festival, Newspaper Club, and more. BFEF is entirely run by parent volunteers, which means our funds go right back to our students.

**Our total annual fundraising goal is \$175,000.**

Franklin has about 615 students that benefit from these programs, which means that to fully fund our programs, each family would need to contribute \$285 per student. This works out to \$32 per month during the school year, or just \$8/week! Grandparents, neighbors and friends are welcome to donate in your child's name to help us reach our goal of 100 percent participation.

If we can reach our goal this fall, our programs will be fully funded, and we won't have to keep asking for money! No gift is too small, because a high family participation rate helps BFEF raise matching funds from corporations and foundations. **Thank you! Danke! Merci! Grazie! ¡Gracias!**
