MEDIA RELEASE

Joint Statement from Superintendent Dr. Vivian Ekchian and GTA President Taline Arsenian

GLENDALE, CA – Glendale Unified School District and Glendale Teachers Association have reached a bargaining agreement for fall 2020 distance learning. The agreement represents a shared commitment to provide equitable educational opportunities for all students and professional support for all teachers.

The proposed Memorandum of Understanding, which includes agreements on items relating to teaching, learning, professional development, evaluations, and working conditions, is subject to ratification by Glendale Teachers Association members and the Glendale Unified Board of Education.

School will begin August 19 in a distance learning mode. GUSD and GTA will continue to work together, and in collaboration with families and community members, in the best interest of our students.
