COMMUNITY COLLEGE

Glendale Community College Career Education Counseling Appointments

The Career Education (CE) counselors at Glendale Community College (GCC) are here for you! CE counselors can answer questions about which major is the right one for you, what schools are good options based on your major, creating an education plan, what credits you earn for passing Advanced Placement (AP) exams, what you can do with an articulated course you've completed, what dual enrollment is, what your career options are, how to create or update your resume and much more!

Use the QR codes or the website links below to book a 30 minute 1-on-1 appointment with one of GCC's CE counselors. **Counselors are generally available for appointments on Tuesdays, Thursdays, and Fridays from 12:00-4:00 pm.** If you are unable to find a time that works for you in the upcoming weeks, reach out to one of GCC's CE counselors.
