

# PTA

Dear R. D. White Family,

Welcome to the 2020-2021 school year! We are excited and hope you will join us throughout the year for our many PTA events and fundraisers! It is our wonderful families that make R.D. White the wonderful school and environment that it is!

With that being said, we would like to invite you and your children to become part of the R. D. White family by joining our fabulous PTA! You can have some fun with your children, meet new people, and show your support for our wonderful teachers and staff!

Becoming a member and donating the \$10.00 is a great way to show support to our school. All the money raised goes back to the school, and to our children's benefit.

You can join our membership by the following ways:

- Fill out the PTA envelope that was sent home with your child's school back to school package.
- Click on the link below and sign up online.

- Scan the QR code below to sign up online.

Thank you all for your continuous support of our wonderful school, teachers, and staff!

Sincerely,

R. D. White Elementary PTA
