

# How to set up your iPhone and iPad for Gmail on the GUSD Domain

1.

On your iPhone, iPad, locate the "settings" icon.

2.

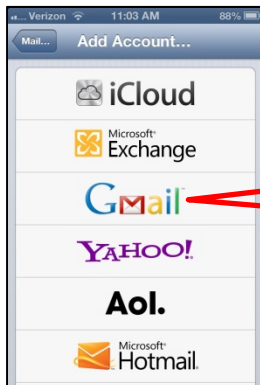

Scroll and find the "Mail, Contacts, Calendars" link.

3.

Select the "Add Account.." link.

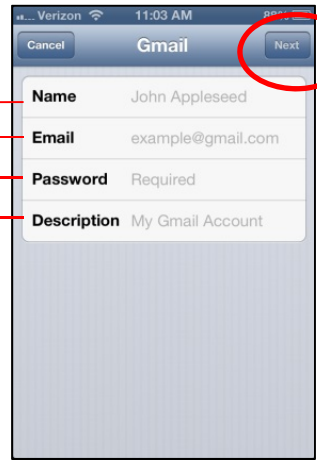

4.

Select the  link.

5.

Enter your name  
Enter your GUSD email address  
Enter your email password  
How you want it identified (i.e. GUSD Email)

Select "NEXT" when you are done

6.

Choose which things you want to have "Turned On" to sync with Gmail.  
Click "SAVE" (upper right) once you have chosen your settings.
