The Bonds may be issued as Current Interest Bonds, Capital Appreciation Bonds and Convertible Capital Appreciation Bonds, or any combination thereof, which shall be determined upon the sale thereof.

Any Current Interest Bonds, if issued, shall be dated their date of delivery and shall bear interest at the rate or rates not to exceed the legal maximum, payable on March 1 and September 1 of each year commencing March 1, 2012, through September 1 of the years designated upon the sale of the Bonds (each an "Interest Payment Date"), the actual interest rate or rates and the actual maturity schedule to be fixed at the time of sale. The Board hereby approves, and hereby deems nearly final within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934, the Preliminary Official Statement describing the Bonds in substantially the form on file with the Clerk of the Board. The Superintendent, Deputy Superintendent, or Chief Business Officer, or designee thereof, is hereby authorized to
execute an appropriate certificate stating the Board’s determination that the Preliminary Official Statement has been deemed nearly final within the meaning of such Rule. Such officer is hereby authorized and directed to approve any changes in or additions to a final form of said Official Statement, and the execution thereof by the Superintendent, Deputy Superintendent or Chief Business Officer shall be conclusive evidence of his or her approval of any such changes and additions. The Board hereby authorizes the distribution of the Official Statement by the underwriters identified in Section 13 hereof. The final Official Statement shall be executed in the name and on behalf of the District by the Superintendent or Deputy Superintendent.

The Board hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed and delivered in connection with the Bonds, in substantially the form attached to the Official Statement.

SECTION 4. Delivery of Bonds, Disposition of Proceeds of the Bonds, Security for the Bonds. The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price in immediately available funds.

The proceeds from the sale of the Bonds, to the extent of the principal amount thereof, shall be paid and credited to the funds established and designated as the “Glendale Unified School District General Obligation Bond, Election of 2011, Building Fund,” with the appropriate series designation included therein, and similarly designated funds for any additional series of Bonds (together, the “Building Funds”) of the District, if necessary, and shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and for payment of permissible costs of issuance and provided further that such proceeds shall be applied solely to authorized purposes which relate to the acquisition or improvement of real property. The interest earned on the monies deposited to the Building Funds shall be deposited therein and such monies shall be used for any lawful purpose of the District at the direction of the District.

The accrued interest and any premium received from the sale of the Bonds (if any, after all or a portion of Underwriter’s discount or costs of issuance are paid) shall be kept separate and apart in the funds established and designated as the “Glendale Unified School District General Obligation Bond, Election of 2011, Debt Service Fund,” with the appropriate series designation included therein, and similarly designated funds for any additional series of Bonds (together, the “Debt Service Funds”), if necessary, for the Bonds and used only for payments of principal and interest on the Bonds. Interest earned on investments of monies held in the Debt Service Funds shall be retained therein and used to pay principal and interest on the Bonds when due.

The Board hereby authorizes the Superintendent, Deputy Superintendent, or Chief Business Officer to direct the County to establish, hold and maintain a fund to be known as the “Election of 2011, Sinking Fund,” with the appropriate series designation included therein, if needed, to be maintained by the County Treasurer as a separate account, distinct from all other funds of the County and the District. An amount equal to the Required Sinking Fund Balance shall be maintained on deposit in the Sinking Fund at all times. The Sinking Fund is hereby pledged for the payment of the principal of the Bonds when due, including the principal coming due and payable on the mandatory redemption of any Bonds. Amounts in the Sinking Fund, to the extent necessary to pay the principal of the Bonds when due, shall be transferred by the County to the Paying Agent as required. The Sinking Fund constitutes a reserve fund for the Bonds and will be maintained in accordance with Section 12.
For any Bonds issued as New Clean Renewable Energy Bonds, the District will deposit, or cause to be deposited, in the Debt Service Fund for such Bonds, each Refundable Credit Payment received with respect to such Bonds to be used to pay interest coming due on such Bonds.

Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which Bonds are being issued shall, at the direction of the District, be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

Proceeds of the Bonds held by the Treasurer shall be invested at the Treasurer’s discretion pursuant to law and the investment policy of the County, unless otherwise requested in writing by the District.

(i) At the written request of the District, given by the Superintendent of the District, the Treasurer may invest all or any portion of the Building Fund in the Local Agency Investment Fund in the treasury of the State of California.

(ii) At the written request of the District, given by the Superintendent of the District, all or any portion of the Building Fund may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds.

The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due and amounts pursuant to Education Code Section 15232 sufficient to pay the expense of paying the Bonds elsewhere than at the office of the Treasurer, which monies when collected will be placed in the Debt Service Fund, which fund is irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due. The monies in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same becomes due and payable, shall be transferred by the Treasurer to the Paying Agent for subsequent disbursement to the beneficial owners of the Bonds. Any monies remaining in the Debt Service Fund one year after the Bonds and the interest thereon have been paid at maturity, or provision for such payment has been made, shall be transferred to the general fund of the District.

SECTION 5. Redemption.

The Bonds shall be subject to redemption, as provided in the Purchase Contract.

SECTION 6. Form of Bonds. The Current Interest Bonds and the Capital Appreciation Bonds, the form of the Paying Agent’s certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution.
and the Purchase Contract, as are set forth in Appendix A attached hereto. If the Bonds are issued as Convertible Bonds, the form of such Bonds will be revised accordingly.

SECTION 7. Execution of Bonds. The Bonds shall be executed by the manual or facsimile signatures of the President of the Board of Education, and the Clerk of the Board of Education. The facsimile signatures of the President and the Clerk of the Board of Education may be printed, lithographed, engraved, or otherwise mechanically reproduced. The Paying Agent shall manually authenticate each Bond in the space provided, and no Bond shall be valid or obligatory for any purpose until so authenticated.

SECTION 8. Bond Registration; Transfers. As hereinafter provided, the Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, immobilized with DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Bonds as provided in this Section (the "Bond Register"). While the book-entry only system is in effect, such books need not be kept, as the Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

The person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Any Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants) be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

Neither the District, nor the Paying Agent will be required to: (a) issue or transfer any Bonds during a period beginning with the opening of business on the 16th day of the month next preceding either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 9. Paying Agent.

(a) Appointment of Paying Agent. The Treasurer of the County is hereby designated Paying Agent for the Bonds and, in such capacity, shall also act as registration agent and
authentication agent for the Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The County Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the District a certificate to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars ($50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

(b) Paying Agent May Hold Bonds. The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

(c) Liability of Agents. The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.
The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(d) Notice to Paying Agent. The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(e) Compensation; Indemnification. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 10. Book-Entry System. The Bonds will be issued in book-entry form by appointing DTC, 55 Water Street, 19th Floor, New York, New York 10041, to act as securities depository for the Bonds. A single certificate, representing the aggregate principal amount of each maturity of Bonds, will be executed and delivered on the day of the closing to DTC. Upon closing, the County shall notify DTC that it has accepted payment of the purchase price of the Bonds, at which time DTC (in accordance with the Letter of Representations defined below) will credit the account of the Underwriter, and process the book-entry deliveries to the accounts of the subsequent purchasers of interests in the Bonds. The Bonds will be lodged with DTC until the maturity of each Bond. On the Business Day prior to each date of maturity of a Bond, the Treasurer shall remit to the Paying Agent from the Bond Fund sufficient moneys for the Paying Agent to pay all outstanding principal of and interest on such Bond.

To induce DTC to accept the Bonds as eligible for the book-entry form of issuance, the District will enter into a Letter of Representations with DTC (the “Letter of Representations”) setting forth the terms and conditions of, and procedures for, the book-entry only form of issuance.

SECTION 11. Satisfaction and Discharge. The obligations of the District hereunder and under the Bonds herein or therein made or provided for, are to be fully discharged and
satisfied as to any Bond and such Bond will no longer be deemed to be outstanding and shall be deemed to have been paid for all purposes:

(a) when such Bond is canceled or surrendered for cancellation and is subject to cancellation, or has been purchased by the Paying Agent from moneys in the Bond Fund of the District, or

(b) as to any Bond not canceled, surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of and the applicable premium, if any, on any Current Interest Bond, plus interest on such principal to the due date thereof, or the accreted value of any Capital Appreciation Bond as of the due date thereof (whether such due date be by reason of maturity or by acceleration or otherwise), either (i) has been made or caused to be made in accordance with the terms hereof, or (ii) has been provided for by irrevocably depositing with the Paying Agent, in trust, and irrevocably appropriated and set aside exclusively for such payment, either (A) moneys sufficient to make such payment or (B) Government Obligations, as defined below, maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, or (C) a combination of both such moneys and such Government Obligations; and all necessary and proper fees, compensation and expenses of the Paying Agent with respect to such deposit have been paid or the payment thereof has been provided for to the satisfaction of the Paying Agent. For the purposes of this Section, the term “Government Obligations” shall mean any of the following which are noncallable and which at the time of investment are legal investments under the laws of the State of California for the moneys proposed to be invested therein: (x) direct obligations of the United States of America (including obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States of America), or obligations, the principal of and interest on which are unconditionally guaranteed by the United States of America; or (y) bonds, debentures or notes issued by any of the following: Banks for Cooperatives, Federal Intermediate Credit Banks, Federal Home Loan Bank System, Federal Land Banks or Federal Farm Credit Banks.

At such time as a Bond is deemed to be no longer outstanding hereunder, such Bond shall cease to accrue interest or accrete value from the due date thereof (whether such due date be by reason of maturity or acceleration as aforesaid, or otherwise), and except for any payment from such moneys or Governmental Obligations set aside as aforesaid, shall no longer be secured by or entitled to the benefits of this Resolution.

SECTION 12. Arbitrage and Other Tax Matters.

(a) Private Activity Bond Limitation. The District covenants that it shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

(b) Federal Guarantee Prohibition. The District covenants that it shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.
(c) **Rebate Requirement.** The District covenants that it shall take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such Section is applicable to the Bonds.

(d) **No Arbitrage.** The District has covenanted that it shall not take, or permit or suffer to be taken any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(e) **Maintenance of Tax-Exemption.** The District covenants that it shall take all actions necessary to assure the exclusion of interest on the tax-exempt Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of such Bonds.

(f) **Tax Covenants Relating to New Clean Renewable Energy Bonds.** For any Bonds issued as Direct-Pay New Clean Renewable Bonds, the District covenants as follows:

(i) **Clean Renewable Energy Project.** The District shall assure that all of the Available Project Proceeds will be used for a Qualified Purpose or Purposes in accordance with section 54C(a)(1) of the Code.

(ii) **Qualified Issuer.** The District shall maintain its status as a governmental body which constitutes a "Qualified Issuer" under and as required by Section 54C(a)(2) and as defined in Section 54C(d)(6) of the Tax Code.

(iii) **Designation of Bonds as New Clean Renewable Energy Bonds.** The District hereby designates such Bonds as new clean renewable energy bonds for purposes of section 54C(a)(3) of the Code.

(iv) **Three Year Expenditure of Proceeds on Project.** The District reasonably expects to expend all of the Available Project Proceeds for a Qualified Purpose with respect to the project within the Expenditure Period. To the extent that less than 100 percent (100%) of the Available Project Proceeds are expended for a Qualified Purpose by the end of the Expenditure Period, all nonqualified bonds (as determined under Section 142 of the Code) shall be redeemed within 90 days of the end of the Expenditure Period all in accordance with the requirements of Section 54A(d)(2)(B) of the Code in the time and manner prescribed by the Code.

(v) **Binding Commitment to Spend Available Project Proceeds.** The District reasonably expects that, within 6 months of the date of issue of the Bonds, it will enter into a binding commitment with a third party to spend at least ten percent (10%) of the Available Project Proceeds for a Qualified Purpose with respect to the Project.

(vi) **Financing Capital Expenditures, No Working Capital.** All Available Project Proceeds of the Bonds will be spent on capital expenditures with a reasonably expected economic life of one year or more.
(vii) Limitation on Issuance Costs. No proceeds of the Bonds and investment earnings thereon, in an amount in excess of two percent (2%) of the proceeds of the sale of the Bonds, will be used to pay costs of issuing of the Bonds. If the fees of the original purchaser are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for said fees.

(viii) Allocation of New Clean Renewable Energy Bond Limitation. The District has received allocations of a portion of the national new clean renewable energy bond limitation.

(ix) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code as modified by Section 54A(d)(4) of the Code, including the Treasury Regulations with respect thereto.

(x) Rebate Compliance. The District shall take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds. For purposes of this paragraph, investments of Available Project Proceeds during the Expenditure Period are deemed to comply with the requirements and limitations of Section 148 of the Code.

(xi) Limitation on Reserve Funds. No fund the proceeds of which are pledged to, or are reasonably expected to be used directly or indirectly to pay, principal or interest on the Bonds or are reserved or otherwise set aside such that there is a reasonable assurance that such amounts will be available to pay principal or interest on the Bonds will be funded with respect to the Bonds except as follows: (i) the fund is funded at a rate not more rapid than equal annual installments, (ii) such fund is funded in a manner reasonably expected to result in an amount not greater than an amount necessary to repay the issue, and (iii) the yield on the fund is not greater than the rate determined under 54A(d)(5)(B) of the Code.

(xii) Acquisition, Disposition and Valuation of Investments. Except as otherwise provided in following sentence, the District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing proceeds of the Bonds shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) and investments in a reserve fund shall be valued at their present value (within the meaning of section 148 of the Code).

(xiii) Prohibition on Financial Conflicts of Interest. The District hereby covenants and agrees to comply with all State and local law requirements governing conflicts of interest as such requirements may relate, directly or indirectly, to the Bonds. The District hereby covenants and agrees to comply with any conflict of interest rules
prescribed by the IRS or United States Department of Treasury governing the appropriate Member of Congress, Federal, State, and local officials, and their spouses as such rules may apply to the Bonds.

(xiv) **Davis-Bacon Act Requirements.** The District hereby covenants and agrees to comply with the wage rate requirements of Title 40, Subtitle II, Part A, Chapter 31, Subchapter IV of the United States Code as such requirements relate to the proceeds of the Bonds.

(xv) **Direct Pay Election.** The District hereby irrevocably elects to treat the Bonds as “Specified Tax Credit Bonds” within the meaning of Section 6431(f) of the Code such that the District will be eligible to receive direct payment by the federal government of a refundable credit equal to the lesser of the interest payable on the Bonds or 70% of the tax credit rate applicable to the Bonds (the “Refundable Credit Payment”).

**SECTION 13. Sale of Bonds.**

(a) **Negotiated Sale of the Bonds.** The Bonds will be sold at a negotiated sale by the District pursuant to the terms and conditions set forth in a Bond Purchase Contract (the “Purchase Contract”), by and between the District and the Underwriters (as defined below), in substantially the form on file with the Clerk of the Board with such changes therein, deletions therefrom and modifications thereto as the Superintendent, Deputy Superintendent, Chief Business Officer, or designee thereof may approve, such approval to be conclusively evidenced by the execution and delivery of the Purchase Agreement; provided that the interest rate or rates on the Bonds shall not exceed the legal maximum and the Underwriter’s discount may not exceed five tenths of one percent (0.50%) of the aggregate principal amount of Bonds sold thereunder. The Superintendent, Deputy Superintendent, or Chief Business Officer, or designee thereof, is further authorized to determine the principal or issue amount of the Bonds to be specified in the Purchase Contract for sale by the District, up to an aggregate principal or issue amount of $54,000,000, to modify redemption terms and to enter into and execute the Purchase Contract, provided that the conditions set forth in this Resolution are met.

(b) **Bond Insurance.** If it appears in the best interests of the District to acquire municipal bond insurance to secure the Bonds, the Superintendent, Deputy Superintendent, or Chief Business Officer or designee thereof may so provide in the Purchase Contract or Official Statement.

(c) **Purpose of Negotiated Sale.** The Bonds shall be sold by negotiated sale inasmuch as: (i) such sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to finance and fund public school facilities; (ii) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; and (iii) such a sale will allow the District to control the timing and structuring of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Bonds to such market.

(d) **Estimated Costs of Issuance.** Keygent LLC has been designated as Financial Advisor, E. J. De La Rosa & Co., Inc. and RBC Capital Markets have been selected as Underwriters, and Jones Hall, A Professional Law Corporation, has been selected as the
District's bond and disclosure counsel, in connection with the issuance and sale of the Bonds. The estimated costs of issuance associated with the bond sale are approximately 1.0% of the principal amount of the Bonds, which includes underwriting, financial advisor and bond counsel fees, costs of printing the Official Statement, election administration costs, rating agency fees, and paying agent, filing agent and calculation agent fees, if any.

Purchase Contract Controlling. Notwithstanding the foregoing provisions of this Resolution, any of the terms of the Bonds may be established or modified by the Purchase Contract. In the event of a conflict or inconsistency between this Resolution and the Purchase Contract relating to the terms of the Bonds, the provisions of the Purchase Contract shall be controlling.

SECTION 14. Taxable General Obligation Bonds. A portion of the Bonds may be issued as Taxable General Obligation Bonds, the interest on which will not be exempt from Federal Income Tax. The principal amount, redemption provisions and additional terms and conditions of such Bonds will be specified in the Bond Purchase Agreement.

SECTION 15. Taxable Status of Bonds. The Board has determined that interest payable on the Taxable Direct-Pay New Clean Renewable Energy Bonds and the Taxable General Obligation Bonds will be subject to federal income taxation, and that the provisions of Section 5900 et seq. of the California Government Code apply to such Bonds. At the determination of the Superintendent, Deputy Superintendent, Chief Business Officer or designee that it would be in the best interests of the District to exercise any of the powers granted to it under the such provisions, the District may take any action permitted thereunder whether or not such action is otherwise authorized under this Resolution or conflicts with any other provision of this Resolution.

SECTION 16. Conditions Precedent. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law, that the full faith, credit and revenues of the District are pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 17. Approval of Actions. District officials and staff, including the Superintendent or his designee, are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance and sale of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officials and staff are hereby ratified, confirmed and approved.

SECTION 18. Furnishing of Clerk Certification. The Clerk of the Board is hereby authorized to furnish at least two certified copies of this Resolution to Jones Hall, A Professional Law Corporation, Bond Counsel, at or prior to closing.
SECTION 19. Effective Date. This Resolution shall take effect immediately upon its passage.
