Students

What is Rosemont's motto? Honor, Excellence, and Pride.

Grades and Portal

Hey Spartans pay close attention! Your grades were posted last week on Student Portal. Have you checked what your current grades are in each of your classes? If you are struggling, have you asked your teachers for assistance? Have you reached out to your counselors? Do you ask clarifying questions in class? Do you write and review class notes to refresh your memory? All of the above matter as a daily part of being a learner. Bottom line is, ask for help. Adults are here to help you. You only have a few weeks to bring up your grades.

Rosemont Flag Football Team Practice today, Wednesday and Friday until the New Year.

Word of the Month Citizenship: Citizenship is an important part of our everyday lives. What makes someone a good citizen?

Spartans remember Rosemont ROCKS, today's letter is **R for Respect.** You can show respect by following directions the first time.

Builder's Club Mtg. Welcome Back Builder's, don't forget we have a meeting this Wednesday in the cafeteria at 3:15 pm. See you there!

Starting next Tuesday December 7th, we will have a NEW CLUB on campus, The Puppetry Club. We will be meeting in Ms. Combs room, 1207 every Tuesday at lunch. Come hang out and learn how to make various puppets, including a Kermit the Frog puppet.

Lost and Found

Are you missing a water bottle, a pencil case, a notebook, a sweater, a hoodie or even some shoes? Everyone who has lost a personal item on campus, check out our lost and found! It is located in Spartan Square between

the student bathroom area. If you do not claim your items before we leave for winter break, they will be donated to Goodwill! If you lost a small jewelry piece or even glasses check with the main office, we've got stuff that may belong to you!

Native American Heritage Month *If you're a sports fan, chances are you've heard of Jim Thorpe. Thorpe was a member of the Sac and Fox nation and while you might know him for making Olympic history as the first Native American to win a gold medal (he actually won two, for the pentathlon and decathlon), you might be surprised to learn he also played professional football, baseball, and basketball. In college, he also played lacrosse and won a ballroom dancing championship. It's no wonder many consider Jim Thorpe to be the greatest athlete of all time*
