To provide **extra hourly funding** for Intervention Teachers. Four retired credentialed teachers currently provide reading intervention services for TK – 6 grade students who have been identified as “at risk” because they are working below grade level in one or more academic areas. There are currently 132 students receiving small group and 1:1 standards based intervention services TK – 6. Funding of this grant would increase the number of intervention hours provided for our “at-risk” students.

If approved, the WAVE donation funds will be deposited into the appropriate GUSD accounts and the teacher will be paid via GUSD. Payment does not include medical/health benefits and the individual is responsible for reporting and paying all state and federal taxes.
