SUMMARY OF PURPOSE OF FUNDS REQUESTED:

Due to the construction of our new building we will be getting a brand new, much larger kindergarten play yard with a brand new play structure, shade structure, benches and sheds. As a result, for the first time all the K and TK classes will be able to play together at the same time. However, we have a minimal amount of play activities and our equipment is aging. We would like to give our TK and K students a wide variety of engaging new activities to play with and develop their imagination and gross motor skills. In order to provide this, we have developed a wish list of items to augment our existing equipment.
