### SUMMARY OF PURPOSE OF FUNDS REQUESTED:

-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

Verdugo Woodlands' school-wide instructional focus is reading. *Wordly Wise* is a program that is designed to expand critical grade-level vocabulary and improve reading comprehension. Words taught in each lesson are commonly encountered in grade-level reading and tests in all content areas. These funds would purchase *Wordly Wise* workbooks for students in grades K-6 for the 2018-2019 school year. Since *Wordly Wise* has stopped printing the *3rd Edition* we need purchase the *4th Edition* student books and also purchase new Teacher Editions for each classroom. Our cost this year due to the change, but costs should go down again next year. Also, with discounts and free shipping, that are usually offered, we hope to not spend the entire amount requested..
