from: Arax Kotanjian, 5<sup>th</sup> grade, Ms. Diekmann's class

Dear Members of the Committee,

As you know, Verdugo Woodlands Elementary School's students use balls to play various games at recess and P.E. All of us love these balls and enjoy playing with them every day.

Unfortunately, these balls can be easily popped, kicked, or thrown over fences or in the Wash where they can not be retrieved. As a result, we are currently left with a very low number of balls which prevents a large number of students from playing with balls. This results in daily fights and arguments.

On behalf of my fellow students and myself, I

would like to ask the committee to provide enough funds to purchase twenty (20) jelly balls and twenty (20) basketballs for P. E. and recess use.

Thank you in advance for your kind consideration of my request.

Sincerely,  
Arax Kotanjian
