SUMMARY OF PURPOSE OF FUNDS REQUESTED:

-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

To provide extra hourly finding for intervention Teachers. Four retired credentialed teachers currently provide reading Intervention services for TK-6 grade students who have been identified as "at-risk" because they are working below grade level and/or are English Language learners. There are currently 131 students receiving small group and 1:1 standards based intervention services in TK-6. Funding of this grant would allow us to continue to serve our "at-risk" students with the same attention and time as we have been.

If approved the WAVE donation funds will be deposited into the appropriate GUSD accounts and the teachers will be paid via GUSD. Payment does not include medical/health benefits and the individual is responsible for reporting and paying all state and federal taxes.
