SUMMARY OF PURPOSE OF FUNDS REQUESTED:
-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

I am requesting a Red Cat amplification system that I can use every Monday morning, and at additional rehearsals, with VW Voices. For 3 years, I have been borrowing Mrs. Mueller's Red Cat, which has been very generous of her, but lately it isn't working properly and also I have to get it back in time for her class starting, and cannot take it to the Dads' Club when Voices rehearses there. I HAVE to have amplification to teach 90 kids in Chorus. This Red Cat would live in the custodian office and be charged there, as Mr. Kai used to do with the microphone, and therefore, could also be used by the Orchestra instructor who teaches Advanced Strings in the Cafeteria on Thursdays, and any other meetings or courses in Cafeteria, such as PTA meeting, Cultural Arts, etc., and the sound system wouldn't always have to be hauled out and set up for such events.
