SUMMARY OF PURPOSE OF FUNDS REQUESTED:

-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

I am requesting funds to buy Chromebooks for the RSP room. Students in RSP are often allowed to take tests at different times or in a small group setting. We need Chromebooks available for our students that are available at all times, and there are often not enough to borrow from the classroom sets (on the carts). We currently have 2 computers and 2 nooks for student use, so they are even limited to the amount of time they can work on I-Ready in the RSP room.

ETIS would be ordering them for us, and the estimated cost for each one is \$350.00. This would include Licensing, Warranty, and other related services.

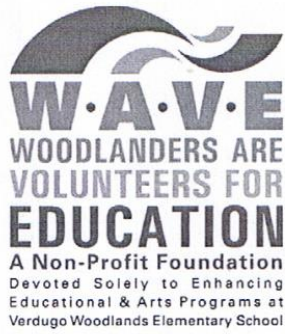

We did not receive any JOY money, this year, or that would have helped. I am hoping to have 10 Chromebooks by the end of the year.

TIMELINE: Estimated Date Project Would Begin: ASAP

Date Project Would Be Completed: ASAP

TOTAL AMOUNT OF FUNDS REQUESTED: \$ 3500.00 approx. for 10- Which would be ideal, however we will take as many as WAVE is willing to help us with.

BREAKDOWN OF SPECIFIC EXPENSES FOR THE PROJECT: We will get a purchase order from ETIS with the specifics within a few days.
