SUMMARY OF PURPOSE OF FUNDS REQUESTED:

-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

As we move forward to full implementation of the Common Core State Standards, we want all students to be prepared for the demands of online Common Core type assessments and have ample typing and keyboarding experience to successfully complete the components of these online assessments.

We would like to purchase *Typing Pal*, a web based typing/keyboarding program that provides unlimited access to all students from school and home. *Typing Pal* also includes a grading system, training, webinars and support for teachers.

Hi Sylvia,

I heard from Marie regarding the Typing Pal typing program. The amount of \$560 plus a \$30 activation fee goes through 3/31/15. Marie asked if we wanted the official quote through 3/31/15 or if we want to add an extra quarter for \$730 (which I believe is \$700 + the one time \$30 activation). Adding the extra quarter will take the subscription through 6/30/15. A * * * *

Please let me know and I will get back to Marie for the official quote.

Thank you!
Robin Quayle

Robin,
Good news!

Would you like your account to run until March 31, 2015 for that same \$590 or should I quote an extra qusrter for \$730, whicch will take you to June 30, 2015... Might be easier for budget purposes...

Let me know and I'll prepare the quote right away.

Thanks,
Marie

Hi Marie,

Thank you for getting back to me. We've been talking about your program and have decided we would like an official quote.

Thank you so much!
