### SUMMARY OF PURPOSE OF FUNDS REQUESTED:

-- Clearly summarize what you would like to do, how you want W.A.V.E. to help, and the benefit of this project to students/school. Use additional pages, if necessary. --

Testing for the new Common Core State Standards will require students to access a portion of the Smarter Balanced Assessments online. Part of the assessment requires students to use headphones with a microphone. The district is providing 40 new Google Chromebooks with headsets. These headphones would be used with the VW computer lab on VW's existing computers. This would allow for twice as many students to take the Smarter Balanced Assessments at the same time.
