## NEWS ADVISORY

### **GUSD FLAG and Magnet Programs Now Enrolling for the 2019-2020 School Year**

GLENDALE, CA – The application period for GUSD elementary magnet schools and Foreign Language Academies of Glendale (FLAG) dual immersion programs opens this Thursday, November 1. All students living in- and outside GUSD boundaries are invited to complete an application by visiting [www.gusdmagnetandflag.com](http://www.gusdmagnetandflag.com). Students are selected for elementary magnet and FLAG programs each year by a random lottery. Lottery applications must be submitted by January 31, 2019.

#### **About GUSD's FLAG Program**

The Foreign Language Academies of Glendale (FLAG) program offers dual language immersion programs in seven languages beginning in kindergarten: Armenian, French, German, Italian, Japanese, Korean, and Spanish. Dual Immersion classes are taught by fully credentialed bilingual teachers who have additional preparation and expertise teaching in both English and their target language.

#### **About GUSD Magnet Schools**

GUSD Magnet Schools offer students unique, theme based educational experiences in academically rich and culturally diverse environments. Currently, GUSD offers four magnet schools:

- **Cerritos Elementary School** – emphasis on coding and computer science
- **Thomas Edison Elementary School** – emphasis on advanced technology and robotics (English-only and FLAG Spanish programs available)
- **Benjamin Franklin Elementary School** – emphasis on dual language immersion (FLAG French, German, Italian, and Spanish programs available)
- **Mark Keppel Elementary School** – emphasis on visual and performing arts (English-only and FLAG Korean programs available)
