GUSD Board of Education Seeks Proposals for Superintendent Search

GLENDALE - The Glendale Unified School District Board of Education will employ an outside search professional to manage the search process for a new GUSD superintendent. A request for proposal is posted in the "Announcements" feed on the GUSD website homepage at www.gusd.net and is open to all executive search professionals who wish to submit.

Proposals are due Wednesday, February 13, at noon, after which the Board President and Vice President will review proposals and select finalists. Finalists will be invited to present to the Board of Education at their next meeting on February 19.

"My fellow Board Members and I are committed to conducting an open and transparent search process as we find a superintendent that best serves our GUSD students, staff, families, and community," said Board President Greg Krikorian.
