NEWS ADVISORY

GUSD Seeks Community Members for Open Seats on Superintendent's Facility Advisory Committee

Glendale, CA – Glendale Unified School District is currently soliciting applications to fill five open seats on the Superintendent's Facility Advisory Committee (SFAC). All members of the GUSD community are encouraged to apply. Expertise in areas such as architecture, engineering, construction, law, educational administration, financial management, real estate/development, construction management, and/or public administration is highly valued but is not required.

About the Superintendent's Facility Advisory Committee

The SFAC was established in June 2011 to ensure Measure S funds are utilized in a cost effective manner to provide facilities, technology, and equipment that support GUSD's educational program as outlined in the provisions of Measure S and the district's strategic plan. The SFAC reviews capital facilities projects and makes recommendations to the Superintendent and Board of Education related to those expenditures. SFAC members are appointed to either a two- or three-year term, and may not serve more than five consecutive years. The Committee meets twice a month on Mondays.

Applications are available on the GUSD website at www.GUSD.net/SFAC.

Deadline for submitting applications is May 24, 2019.

For further information, please contact Kristine Nam at (818) 241-3111 x1218 or knam@gusd.net.
