#### **Clay and Glazes for First Grade**

We are requesting funds from WAVE to purchase a 50 lb. box of clay for each first grade class along with an additional 2 boxes of clay for communal use. The first grade teachers are also requesting 2-3 cases of many colored glazes/clear glaze to share between the first grade classes.

Clay projects enhance the first grade fine arts curriculum, addressing the different learning modalities of each student. Clay art projects can be aligned across all curriculum Common Core standards.

All first grade teachers at VW would have access to their own box of clay and access to the glazes for their students throughout the year.
