SUMMARY OF PURPOSE OF FUNDS REQUESTED:

Headphones for students are necessary when using Chromebooks. Chromebooks are utilized every day in the classrooms to access websites/lessons in all academic areas. These headphones will be more comfortable for younger students in grades TK-2nd. The current headphones we use are more appropriate for older students and some of these headphones are needing to be replaced. We would like to purchase 200 headphones for approximately 350 students to share.
