The 6th grade will be going on a field trip to the Ronald Regan Presidential Library on 02/07/2020. We will be there to experience the exhibit; "Egypt's Lost Cities". This spectacular display will feature artifacts from two previous "lost" cities during the New Kingdom Period of ancient Egypt. Students will be able to achieve a deeper understanding of the wealth, trade, art, government, religion and everyday life of the Egyptian culture. There are 200 authentic artifacts dated 1200 years ago including two colossal 16 foot sculptures.

The study of ancient civilizations is a major 6th grade history standard. It is the favorite of most student's due to its mysteries and its amazing architectural accomplishments. The 6th grade staff believes this is a rare opportunity to really get up close and personal with precious works of art that will greatly enhance our knowledge and understanding of this amazing civilization. Currently we are using the \$1500 towards this trip that WAVE has already graciously donated towards 6th grade enrichment classes. This further request for funds will be used to help compensate the cost of this trip to our parents. *The amount requested is \$ 1300*

Entrance fee: \$1841.40

2 buses: \$950
