SUMMARY OF PURPOSE OF FUNDS REQUESTED:

Kindergarteners at VW now play all together on a wonderful, large playyard behind our new building. We have received a generous donation from WAVE for play equipment to augment equipment supplied by the school. However, with approximately 100 students out on the yard at a time, it is still not quite enough equipment; especially, two of our most popular activities: the sand table and the basketball hoop. We would like to purchase another one of each, as well as spare basketballs and kinetic sand to go with them. All kindergarteners will benefit from this, as well as those students in TK. We would take advantage of a district discount to purchase the durable, quality items from Lakeshore.
