Student Handbook 2020-2021
Instrumental Music - Marching Band

Welcome to the 2020-2021 Instrumental Music program at Crescenta Valley High School. You have chosen to be part of one of the most dynamic, energetic, and active groups at this school. As the Mighty Falcon Marching Band, we would normally perform at football games, spirit assemblies, and other school functions, as well as events for the local community. We would also compete at numerous local field show competitions and band reviews. In the Spring, we would transition to Concert Band and perform in concerts and festivals.

However, this year is different! We will be starting out separated, in the Virtual, on Zoom. It WILL look like a different process, but our principles and attitudes will be the same. Respect, discipline, camaraderie will continue despite the distance we need to maintain! Situations will likely change along the way, and we are prepared to change with them, and always keep moving forward!

Research continues to demonstrate the benefits and importance of music education:

- 1) *"The number-one challenge facing this generation is social isolation. Music and the arts create community, and they can end social isolation, they can create connection." - David Brooks, quoted in "Be Bold! Music & Arts Advocacy at the RNC," by Talking Up Music Education, August 18, 2016.*
- 2) *"Music education is an important aspect of providing children with a well-rounded education. When allowed to work in harmony with other subjects and areas of study, music helps children grow in self-esteem, build essential skills and prepare for bright futures. <https://nebhe.org/journal/tuning-in-six-benefits-of-music-education-for-kids/>, 2018*

The Crescenta Valley High School Instrumental Music program offers students an opportunity to enhance their musical abilities by providing an outlet for creative and intellectual expression using musical instruments. Students will learn discipline and effective time management, as well as the importance of enthusiasm, dedication, teamwork, poise, musicianship, proper care of their instrument, musical literature and terminology. They will also understand the value of music and learn how it will assist them throughout their lives. For the P.E. component, they will also be body movement and physical conditioning.

This handbook outlines the policies and requirements of the Instrumental Music Department.

STUDENTS AND PARENTS: Please read this handbook, fill-in and sign the Acknowledgment page in this packet, and turn in all forms to Mr. Schick at CVHS. Copies of this handbook can be found at www.falconmusic.org

Student Expectations

Attitude: Attitude is perhaps the single most important attribute that a person can have in order to be successful. People with good attitudes will succeed and win the respect and admiration of those around them.

Perseverance and Determination: Good attitude needs to be followed by solid action. The goal of Band is to perform music beautifully and strive to perform at the highest level possible. Those results only come after a lot of work and focus!

Students are responsible for the following: Please adjust your thinking to "Zoom" classroom.

- **Be on time.** You must have your instrument and music ready, video ON, mute ON, and be logged in with your first and last name displayed, ready to participate at the start time of a session.
- Always have your music, folder, and a pencil with you at every session, class and rehearsal.
- Learn your part. Number each measure with a pencil and write your name on your copies of music. Practice daily.
- Play musically at all times. Warm up softly, create music and not noise.
- Listen, and follow directions the FIRST time. Raise your (virtual) hand or comment if you have questions.
- Use your class officers and section leaders as resources. Respect them and help them to make us better.
- When a leader is working on a part other than yours, *quietly* look over your music. **DO NOT GET DISTRACTED OR LEAVE THE ZOOM FIELD OF VIEW.**
- Using cell phones or other distracting electronic devices of any kind is not permitted during sessions.

- Profanity, heckling, mean comments, or name-calling will not be allowed towards each other at any time. Be kind!
- The use of tobacco, vaping, alcohol, drugs, stealing or vandalism are all strictly prohibited, and will be cause for potential dismissal from the group and severe consequences including suspension.
- Each member will at all times present himself/herself in a respectful manner and be courteous and considerate of others. Remember that you represent Crescenta Valley High School, the Instrumental program, and yourself.

Virtual Classroom Expectations

- Your home is now your classroom! Keep your instrument and equipment put away when you are not using it.
- Make sure your instrument is clean and dry before putting it away. Wipe fingerprints off the exterior.
- Keep your music and paperwork neatly organized.
- Do not eat or drink (except water) during a session.
- Be considerate of other family members and neighbors.

General Expectations for Students and Mr. Schick

I will be fair towards you and you will be fair to your peers and me.

I will listen to your concerns and you will listen to my instructions.

I will prepare you for performances and you will do your best during performances.

I will act professionally, and you will act professionally

I will teach you how to be better musicians and you will help me become a better teacher.

Audience Etiquette

We will be working towards some kind of real or virtual performance. Please give your virtual audience the same courtesy you would extend to a 'real' audience.

- Concerts should be treated with professionalism. Always practice as you intend to perform!
- Phones and other electronic devices have no place at concerts, rehearsals or performances.

Concert Attire – for future 'live' on-stage concert performances.

In order for our concerts to look and sound professional, please apply the following dress codes for performances. It is your responsibility to make sure you are dressed appropriately. Absence Form – (Example included in packet and on website)

If a student is unable to attend a *major rehearsal or performance*, they are required to fill out an “Absence Form” **two weeks** before an event. Not all absences will be excused. Performances are the result of long hours of preparation requiring the participation of everyone in the group. When students miss an activity, it affects the entire ensemble. Students will only be excused at the last minute for the following reasons; death in the family, serious illness, or other family emergency.

I will evaluate other requests to be excused on an individual basis and will make every attempt to be fair. If an emergency arises, I will accept a note the day you return to school following the absence.

In addition, it is your responsibility to call a class officer, or leave a message with Mr. Schick via email or a phone call if you are unable to make a rehearsal or performance. **Work is not a valid excuse for missed performances.**

As soon as they are known, schedules and dates will be posted on the website, as well as posted in Band Remind and on the BAND App. Please sign up for notifications and read them! We will make every effort to keep the calendar current.

** An unexcused absence will result in no points for that event. / An excused absence will result in 1/4-1/2 points. **

An excused absence involving another School Activity (e.g. sport) will be negotiable and dealt with on an individual basis.

ASB

The music department receives some support from ASB, and we encourage all instrumental music students to join the Associated Student Body of CVHS. Joining ASB provides discounts to many school activities but is completely voluntary. See the back of the Order Form to pre-purchase.

Fundraising Expectations

In order for our department to succeed, we depend on a tremendous amount of fundraising. We need to raise around \$80,000 every year in order to maintain our high quality of musical excellence. Expenses include instrumental purchase & repair, performance fees, music mentors, supplies, scholarships, and more.

With everyone helping to raise money, our music program will continue to grow and thrive!

All donations and contributions are **VOLUNTARY.**

The District DOES NOT provide significant financial support for Instrumental Music.

Please take the time to read these Handbook carefully.

Please visit www.Falconmusic.org for all the latest news and information regarding the music program. I send out emails & texts once a week to inform students and parents about music events and class happenings. It is important that I have your correct email address and that you sign up for “Remind” and the BAND app so that you are informed!

Thank you again for being part of the Crescenta Valley High Instrumental Music Department.

Musically yours,

Mathew Schick
