SUMMARY OF PURPOSE OF FUNDS REQUESTED:

Distance learning has required our school and district to utilize our technology resources daily to access day-to-day curriculum and instruction which requires listening and speaking. In addition, state testing and i-Ready assessments require students to use *headphones* in the listening portion of the exams. We would like to acquire 75 new USB headphones with microphones to replace headphones that have been loaned to students during COVID as well as headphones in the computer lab and Chromebook carts that do not have microphones.
