

How to Sign-In to a GUSD Chromebook

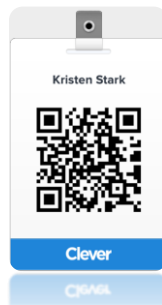

- 1 First name initial
- 2 First 3 of last name
- 3 Last 4 of Student ID

1. Power on the Chromebook and connect to Wi-Fi (see reverse)
2. Click **Sign in with a different account**
3. Enter a student **email address** using the Email Address Format ↪
4. Enter the **password** for the account using the Password Format ↪

CLEVER BADGES

For **Grades TK-3 only**, a Clever Badge with a QR Code (picture on the right) is available which can simplify the log in process for younger students. Please inquire with your student's teacher on how to obtain a Clever Badge.

To use a badge, at the **Google sign-in screen** click **Next** and then hold up the **QR badge** in front of the Chromebook camera. A green ✓ will show if the login is successful.

Email Address Format

T E D I 3 4 5 6 @ S T U . G U S D . N E T

Password Format

Grades TK-8

g u s d + 1 1 2 2 3 3 4 4 5 5 + ! (exclamation mark)

Connecting a Chromebook to Wi-Fi

Any GUSD Chromebook should automatically connect to a GUSD Hotspot.

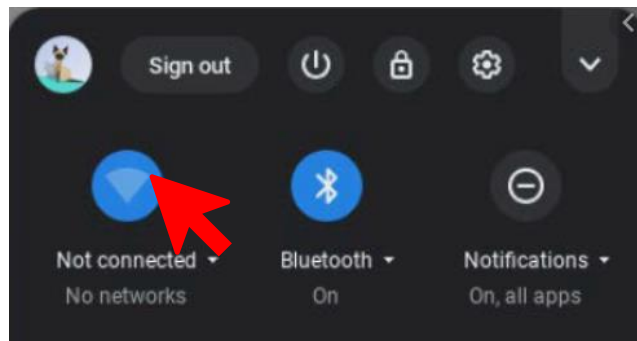

1. Power on the Chromebook.

2. Click the **time** on the bottom-right of the screen.

3. Click the **Wi-Fi icon**.

4. Select the desired Wi-Fi name you want to connect to.
